Residents Queries

Mr Hutton expressed concerns regarding two electricity poles leaning at an angle on the Sutton Road. One near the Little Ramper turning and the other at the junction of Bledwick Drove. Mr Hutton also stated that the road sign was missing, at Bledwick Drove, although this is Leverington Parish the missing sign will be reported. The electricity board also to be notified.

Mr Hutton also expressed highway concerns regarding to no edging to the road verge on entering the spinney at edge of Newton Village form Little Ramper, a protruding curb stone at the junction of Little Ramper and Roman Bank corner. Mr Hutton was advised that any highways faults could now be reported on line.

Information regarding contact details were given to Mr Hutton for future reference.

As there was no other business Cllr Hoyles thanked Mr Hutton for attending the meeting.

The meeting was closed 7.08pm
