What is Leverington Community Car Scheme?

Leverington Community Car Scheme provides door-to-door transport for people who do not have the use of a car and are unable to use conventional public transport.

Journeys are arranged through the co-ordinator and are provided by volunteers using their own cars. These drivers support the community by giving their time. Please treat them with the courtesy and respect that they deserve.

Who can use the service?

People living in the parishes of Leverington, Newton and Tydd St Giles and the local area who are unable to make essential journeys by any other means.

What type of journey can you make?

Mainly essential journeys such as appointments at the surgery or hospital, optician and dentist, or picking up prescriptions. Also visiting friends and relatives in hospital. The scheme is particularly aimed at helping the elderly and disabled to get out and about.

All journeys are at the discretion of the co-ordinator and are dependent upon availability of drivers.

How much does it cost?

Passengers make a contribution towards the cost of their journey of £3.50 for the first 10 miles or under, and 30p per mile thereafter. Passengers pay their contribution to the driver on the day of travel.

The driver also receives a subsidy per mile from Cambridgeshire County Council. The combined amount aims to cover expenses incurred by the driver, such as petrol costs and some of the wear and tear on the car.

How can I arrange a journey?
